Auditor's Report on Quarterly Financial Results and Year to Date Results of NEL Holdings South Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

TO THE BOARD OF DIRECTORS OF NEL HOLDINGS SOUTH LIMITED (FORMERLY KNOWN AS NEL HOLDINGS LIMITED)

Report on the audit of the Standalone Financial Results

Adverse Opinion

We have audited the accompanying standalone quarterly financial results of NEL Holdings South Limited (the Company) for the quarter ended March 31, 2022 and the year to date results for the period from April 01, 2021 to March 31, 2022, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, these standalone financial results:

- a) except for the matters dealt with in the Basis for Adverse Opinion Para given below, the financial result is presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- b) *due to the significance of matters described in the Basis for Adverse Opinion Para given below, the accompanying standalone financial results do not give a true and fair view of the financial position of the Company, in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standard and other accounting principles generally accepted in India of the net loss and other comprehensive loss and other financial information of the Company for the quarter ended March 31, 2022 as well as the year to date results for the period from April 01, 2021 to March 31, 2022.*

Basis for Adverse Opinion

1. The Company has incurred losses over the years resulting in negative net worth, negative working capital and negative cash flows. The default in payment of dues to banks and financial institution and creditors etc. are the identified events that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern. The Statement does not adequately disclose this fact.

The Company is in the process of exiting the projects and settling the loans from banks, financial institutions and creditors etc. Although these transactions have reduced the liability of the Company to banks and financial institutions, the ability of the Company to continue as a going concern remains uncertain in view of the above.

As the Company has not recognized this fact and has prepared the standalone financial statements on a going concern assumption basis without carrying out any adjustments, in our opinion, the standalone financial statements may not give a true and fair view.

2. The Company has accounted, Principal of Rs. 34,495 Lakhs, Accrued Interest of Rs. 8,230 Lakhs and Disputed Liability of Rs.16,574 in its books of account as total outstanding to banks and financial institution as on 31st March,2022. All the banks and financial institutions have declared the outstanding loan accounts of the company as Non-Performing Accounts (NPA) in the earlier years. Pending confirmation and correspondence, the outstanding balance and status of demand raised by the respective banks and financial institutions could not be verified by us. Further, penal interest on default on payment to banks and financial institution has neither been ascertained nor provided for in the books of account of the Company. (Refer to note 5 of the Statement)

In relation to a loan taken from Yes Bank for the Commissariat Road (Soho) Project, the Bank has principally agreed for settlement of the loan for Rs. 3,000 Lakhs. The Company has not provided any further interest on this loan since the previous financial year. Further, the Company had earlier been written back accrued interest amounting to Rs. 1,443 Lakhs as income in the quarter ended June 30, 2021, which has now been reversed in the quarter ended March 31, 2022 and classified as Disputed Liability without any confirmation from the Bank in this regard. (Refer to note 12 of the Statement).

During the year, the Company has not provided interest for the loan outstanding from Yes Bank against the Plaza Project. Further, the Company has classified the interest outstanding as on March 31, 2022 amounting to Rs. 3,728 Lakhs, to the extent allocated to the project, as a disputed liability without any confirmation from the Bank in this regard. The basis and documentation for such non provision of interest and classification as a

disputed liability was not made available for our verification. (Refer to note 11 of the Statement).

During the previous year, the Company has sold/disposed two projects viz, Knightsbridge and Virgin Island. The remaining balance of the term loan related to these projects amounting to Rs 11,402 Lakhs in respect of the borrowing from HDFC Limited which had earlier been written back as income in the quarter ended June 30, 2021, has now been reversed in the quarter ended March 31, 2022 and classified as Disputed Liability. (Refer note 10 of the statement).

Further, the Company has filed defense appeal before the Debt Recovery Tribunal on 23.08.2021 against which the final order has not yet received by the Company.

3. The outstanding balance of advances collected from customers in earlier years pertaining to closed / suspended residential projects, amount to Rs. 421 Lakhs as on the reporting date. Such receipts are in the nature of deemed deposits under Rule 2(c) (xii) (b) of the Companies Acceptance of Deposit (Rules) 2014 and is within the purview of the provisions of sections 73 to 76 of the Companies Act, 2013.
4. In spite of the negative net worth of the subsidiaries, the Company has not accounted for impairment loss of Rs 5,389 Lakhs against advance given to them, resulting in the understatement of loss and overstatement of net worth by the said amount. The Company has further disbursed fresh advance amounting Rs. 651 Lakhs during the year for which no document has been provided to us for our verification and which in our opinion is a matter of concern and is prejudicial to the interest of the Company.
5. The Company has not tested impairment of its projects' CWIP and Inventories amounting to Rs. 8,835 Lakhs and Rs. 5,181 Lakhs (Net of "Payable to land owner for land under Joint Development Agreement, JDA") respectively for ascertaining the realizable value as on 31st March, 2022. To the extent of any possible diminution of value not accounted for, the standalone financial statements may not give a true and fair view as per the requirement of Ind AS 2.
6. Year-end balance confirmation certificates in respect of trade receivables, trade payables, vendor advances, advance from customers and a few other advances, have not been provided for our verification and record. In absence of adequate audit evidence, we are unable to ascertain as to whether any provision is required with respect to the carrying amounts of these balances as at reporting date. Further, Trade Receivable amounting to Rs. 1,838 Lakhs receivable from customer as on 31st March, 2022 has not been considered for impairment loss based on expected credit loss method as per requirement of Ind AS 109.

7. As per the records of the company and information and explanations provided to us, the Company has been irregular in depositing the undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of custom, duty of excise, value added tax, Goods and Services tax, cess. The GST department has suo moto cancelled the GST registration of the Company on October 31, 2020. The Company also has a receivable balance of Rs. 1,199 Lakhs and payable balance of Rs. 9,186 Lakhs from various government authorities. Due to such statutory non compliances, we are unable to comment on the actual recoverability and payment dues against such balances.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to the fact that:

- a. The Company has given unsecured advance amounting to Rs. 1,887 Lakhs to WLM Logistics Parks Private Limited (formerly known as Winter Lands Private Limited) (WLM) for acquiring various immovable properties on behalf of the Company for which no Joint Development Agreement (JDA) could be produced to us. We have been informed that WLM is not in a position to honor its commitment or repay the advance. The management is of the view that provision for the same is not required as, WLM has sought to transfer its JDA rights in the Project at Commissariat Road, Bengaluru, to the extent of 9920 Sq. feet to the Company by way of Memorandum of Understanding (MOU). In this context, we have not been provided with any copy of No Objection Certificate (NOC) from the Land owners and also the basis of the valuation has not been satisfactorily explained to us.

During the year, the Company has received Rs. 5.30 Lakhs as advance from WLM. We have not been provided any documentation or explanation in respect of and such transactions.

In addition to the existing liability, WLM has acquired the following liabilities of Boulevard and Somerset as provided below:

- i. As reported earlier, the Company has given unsecured advance amounting to Rs. 3,515 Lakhs to Boulevard Developers Private Limited (Boulevard) for acquiring various immovable properties on behalf of the Company for which no Joint Development Agreements (JDA) could be produced to us. We have been informed that Boulevard is not in a position to honor its commitment and repay the advance. The Company had fully provided for the same in the previous financial year.

During the year, this outstanding amount of Rs. 3,515 Lakhs repayable to the Company by Boulevard has been taken over by WLM. Correspondingly, the provision against such advance has also been transferred to WLM.

The Company has entered into an MOU with WLM agreeing to enter into a JDA for development of Residential Layouts. In respect of this MOU, the Company has agreed to adjust an amount of Rs. 3,000 Lakhs towards an interest free Refundable Security Deposits from the balance of Rs. 3,515 Lakhs taken over by WLM as mentioned above. We have not been provided with any copy of No Objection Certificate (NOC) from the Land owners. Further, the ownership of WLM in such property has not been satisfactorily explained to us.

- ii. As reported earlier, the Company had advanced Rs. 1,228 Lakhs to Somerset Infra Projects Private Limited (Somerset) for acquiring immovable properties and for transfer of development rights (TDR) in various cities like Chennai, Cochin, Bangalore, on behalf of the Company. Somerset has failed to procure land and/ or the licensed TDR Rights as per the agreement and has not refunded the money. The Company had made full provision for the said advance over the last four years without taking any legal action for recovery. During the year, an amount of Rs. 500 Lakhs received earlier from a third party towards assignment of the recovery of such advance has now been adjusted with this balance.

In respect of the remaining balance of Rs. 728 Lakhs receivable, WLM has taken over this liability from Somerset and has subsequently assigned the rights of a certain villa in the project "True Blue Napa Valley" to the Company by way of MOU dated 12.08.2021. However, documentary evidence for the ownership of WLM in such property has not been satisfactorily explained to us.

- b. The Company had written back loan outstanding along with accrued interest amounting to Rs. 3,763 Lakhs during the year pertaining to a term loan from HDFC Limited against a transferred Company project Park Avenue and also a term loan from Sriram City Union Finance Limited (SCUFL) pertaining to Company project Logos, both of which has been waived off by HDFC Limited and SCUFL respectively. Such waiver has been verified on the basis of the documents made available for our verification. (Refer note 9 and 10 of the statement)
- c. The Company has not renewed the registration of project "Rio" under the provisions of Real Estate (Regulation and Development) Act, 2016 since 31st March 2019, resulting in non-compliance under the relevant rules and regulations of the Real Estate (Regulation and Development) Act, 2016.
- d. The Company is in process of reconciling "Billing in excess of revenue" to the extent of Rs. 138 Lakhs.
- e. According to the information and explanation provided to us, Gratuity plan of the Company is unfunded as at 31st March, 2022 and the Company has made provision for the entire Gratuity Liability. Employee Gratuity Liability is being met as and when they fall due. As no assets are maintained by the Company, there is a liquidity risk that the Company may run out of cash resources which may further affect the financial position of the Company.
- f. Certain Managerial personnel duly appointed by members have intimated the Board in the current year that they would be foregoing their remuneration retrospectively from their respective date of appointment in order to comply with the provisions of section 197(1) of the Companies Act, 2013 since lender's approval prior to such appointment was not obtained. Necessary approval from the Board is yet to be obtained in this regard.

- g. We have not received the necessary confirmation from the related parties of the Company. To this extent, we cannot comment on the related party transaction entered into by the Company during the financial year.
- h. The Company has written back certain long outstanding vendor liabilities in its books of accounts. Same is subject to ratification by the board.
- i. Contingent Liability as disclosed in the standalone financial statements is based on management certification. We have not been provided with any other independent legal opinion in relation to any other litigation, demand or claim by or against the Company which may be contingent in nature.
- j. The Company has an outstanding liability of Rs. 162 Lakhs towards employee payable as on 31st March, 2022, of which an amount of Rs. 138.25 Lakhs has been written back for non-compliance of terms and conditions of employment contracts, as explained to us. Due to non-availability of additional information and ageing, we are unable to comment on the applicability of related statutory compliances or on the requirement of any further provision.
- k. Effect of COVID-19: We draw attention to note no. 13 of the Statement, which describes the economic and social consequences/disruption that the entity is encountering as a result of the COVID-19 pandemic that has impacted supply chains and consumer demand across the Country and has negatively affected the business of the Company. The situation is still evolving and the management's assessment of the impact of the pandemic on subsequent periods is dependent on the circumstances as they evolve.

Our opinion is not modified in respect of the above matters.

Management Responsibilities for the Standalone Financial Results

These standalone financial results have been prepared on the basis of the standalone financial statements. The Company's Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net loss for the year ended March 31, 2021 and other comprehensive loss and other financial information of the company in accordance with the recognition and measurement principles laid down in Indian Accounting

Standard prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit

procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report.
- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the standalone financial results represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may

reasonably be thought to bear on our independence, and where applicable, related safeguards.

The Statement includes the results for the quarter ended March 31, 202 and the corresponding quarter ended in the previous year being the balancing figures between audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the relevant financial year which were subject to limited review.

Auditor's Report on the audit of the consolidated annual financial results of **NEL HOLDINGS SOUTH LIMITED** ("the group") with the last quarter financial results being balancing figures Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended

INDEPENDENT AUDITOR'S AUDIT REPORT

**TO THE BOARD OF
DIRECTORS OF NEL HOLDINGS SOUTH LIMITED
(FORMERLY KNOWN AS NEL HOLDINGS LIMITED)**

Report on the audit of the Consolidated Financial Results

1. We have audited the accompanying Statement of Consolidated Annual Financial Results of **NEL HOLDINGS SOUTH LIMITED** ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") for the quarter and year ended March 31, 2022 ("the Statement"), being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, read with SEBI Circular No CIR/CFD/CMD 1/44/2019 DATED March 29, 2019. The consolidated figures for the corresponding quarter ended March 31, 2021, as reported in these financial results have been approved by the Parent's Board of Directors and have been audited by us.
2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been compiled from the related consolidated financial statements which has been prepared in accordance with the Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS"), and other accounting principles generally accepted in India. Our responsibility is to express an opinion on the Statement based on our audit of such consolidated financial statements.

3. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Companies Act 2013. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Parent's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the Parent's internal financial control with reference to the Statement. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the Statement.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in paragraph 6 below, is sufficient and appropriate to provide a basis for our audit opinion.

4. In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the reports of the other auditors on separate financial statements of the Group, subsidiaries referred to in paragraph 6 below, the Statement:
- a) includes the results of the following entities as subsidiaries of the Parent:
- i. NHDPL South Private Limited (Formerly known as NHDPL Properties Private Limited);
 - ii. NUDPL Ventures Private Limited (Formerly known as NUDPL Enterprises Private Limited);
 - iii. LOB Property Management Private Limited.

- b) is presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended; and
- c) based on our audit conducted and procedures performed as stated in paragraph 3 above and based on the audited report of other auditor referred to in paragraph 6 below and the significance of matters stated in paragraph 5 above and its consequential impact on the audited consolidated financial results for the quarter and year ended March 31,2022, in our opinion, the statement read with notes thereon does not give a true and fair view in conformity with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India of the consolidated total comprehensive income (comprising of net [profit/loss] and other comprehensive income/ loss) and other financial information of the Group for the year ended 31st March, 2022.
5. Attention is drawn of the following matters disclosed in the Notes of the statement which are subject matter of adverse conclusion given in paragraph 6 below:
- i) The Group has incurred losses over the years resulting in negative net worth, negative working capital and negative cash flows. The default in payment of dues to banks and financial institution and creditors etc. are the identified events that, individually or collectively, may cast significant doubt on the Group's ability to continue as a going concern.
- During the year Group has transfer four projects through Memorandum of Understanding or Business Transfer Agreement and repaid some portion of the bank loan.
- Although these transactions have reduced the liability of the Group to bank and financial institution, the ability of the Group to continue as a going concern continues to remain uncertain in view of the above.
- As the Group has not recognized this fact and has prepared the consolidated financial statements on going concern assumption basis without carrying out any adjustments, in our opinion, the consolidated financial statements may not give a true and fair view.
- ii) On default in repayment of the principal amount of Rs.50,000 Lakhs and interest of Rs. 3,283 Lakhs for credit facilities availed by two

subsidiaries, the YES Bank Ltd. has invoked the guarantees furnished by the Holding Company on behalf of its subsidiaries and has demanded payment of the outstanding dues. As informed to us by the management, no additional demand/notice has been received by the Group during the year.

- iii) The Group has accounted Principal of Rs. 61,696 Lakhs, Accrued Interest of Rs. 21,204 Lakhs and Disputed Liability of Rs. 40,641 in its books of account as total outstanding to banks and financial institution as on 31st March, 2022. All the banks and financial institutions have declared the outstanding loan accounts of the company as Non-Performing Accounts (NPA) in the earlier years. Pending confirmations and correspondence the outstanding balance and status of demand raised by the respective banks and financial institutions has not been verified by us. Further, penal interest on default on payment to banks and financial institution has neither been ascertained nor provided for in the books of account of the Group. (Refer to note 10 of the Statement)

In relation to a loan taken from Yes Bank for the Commissariat Road (Soho) Project, the Bank has principally agreed for settlement of the loan for Rs. 3,000 Lakhs. The Group has not provided any further interest on this loan since the previous year. Further, the Group had earlier been written back accrued interest amounting to Rs. 1,443 Lakhs as income in the quarter ended September 30, 2021, has now been reversed in the quarter ended March 31, 2022 and classified as Disputed Liability without any confirmation from the Bank in this regard. (Refer to note 14(ii) of the Statement).

The Group has not provided interest for the loan outstanding from Yes Bank against the Plaza Project. Further, the Company has classified the interest outstanding as on March 31, 2022 amounting to Rs. 3,728 Lakhs, to the extent allocated to the project, as a disputed liability without any confirmation from the Bank in this regard. The basis and documentation for such non provision of interest and classification as a disputed liability was not made available for our verification. (Refer to note 14(iv) of the Statement).

- iv) During the previous year, the Group has sold/disposed two projects viz, Knightsbridge and Virgin Island and Napa Valley. The remaining balance of the term loan related to these projects amounting to Rs

23,822 Lakhs in respect of the borrowing from HDFC Limited had earlier been written back as income in the quarter ended June 30, 2021, has now been reversed in the quarter ended March 31, 2022 and classified as Disputed Liability. (Refer note to 14(i) of the statement).

- v) The Group has exited 'Nitesh Melbourne Park', during the year on an ongoing basis through Memorandum of Understanding. As explained to us, the sale consideration of the project has been fixed by the Group on the basis of market realizable value. However, no document could be provided to us in this respect. Further, the Company is still under the process for execution of certain documents for disposal of the project.

During the financial year, charge created for the project 'Nitesh Melbourne Park' was released by YES Bank Limited on a condition that the same shall not be construed as settlement of any kind. Consequently, the Group has accounted for Rs. 6500 Lakhs and Rs. 5,147 Lakhs respectively, being the estimated carrying value of borrowings and interest accrued thereon in the books of account of the Group has been treated as disputed liability in the consolidated financial statements. (Refer to note 9 & 14 (i) of the Statement)

Further, the Group has filed defense appeal before Debt Recovery Tribunal on 23.08.2021 against which the final order has not yet received by the Group.

- vi) The Company has transferred the project "Nitesh Cape Cod", on an ongoing basis during the previous quarter through an unregistered Business Transfer Agreement. In this respect, the Company had borrowed Rs. 18,500 Lakhs from YES Bank for various projects including Nitesh Cape Cod. As per the terms of the unregistered Business Transfer Agreement with the third party, an amount of Rs. 8,500 Lakhs (lender liability) was payable to YES Bank within a specified date for release of charge on Nitesh Cape Cod. However, the third party has failed to make such payment within the stipulated date and the 'No Objection Certificate' (NOC) earlier issued by the Bank for release of charge against such transfer has expired. (Refer note 8 of the statement)

Further, it is noted that such third party has challenged the RERA order approving such transfer and has appealed to the appellate tribunal for

modification of certain clauses in the above-mentioned order. No documentation pertaining to such appeal has been made available for our verification.

- vi) The outstanding balance of advances collected from customers in earlier years pertaining to closed / suspended residential projects, amounts to Rs. 421 Lakhs as on the reporting date. Such receipts are in the nature of deemed deposits under Rule 2(c) (xii) (b) of the Companies Acceptance of Deposit (Rules) 2014 and is within the purview of the provisions of sections 73 to 76 of the Companies Act, 2013.
- vii) The Company has not tested impairment of its projects' CWIP and Inventories amounting to Rs 8,835 Lakhs and Rs 24,300 Lakhs (Net of "Payable to land owner for land under Joint Development Agreement, JDA") respectively for ascertaining the realizable value as on 31st March, 2022. To the extent of any possible diminution of value not accounted for, the consolidated financial statements may not give a true and fair view as per the requirement of Ind AS 2.
- viii) Year-end balance confirmation in respect of trade receivables, trade payables, vendor advances, advance from customers and a few other advances have not been provided for our verification and record. In absence of adequate audit evidence, we are unable to ascertain as to whether any provision is required with respect to the carrying amounts of these balances as at reporting date. Further, Trade Receivable amounting to Rs. 1,953 Lakhs receivable from customer as on 31st March, 2022 has not been considered for impairment loss based on expected credit loss method as per requirement of Ind AS 109.
- ix) As per the records of the Group and information and explanations provided to us, the Company has been irregular in depositing the undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of custom, duty of excise, value added tax, Goods and Services tax, cess. The GST department has suo moto cancelled the GST registration of the Company on October 31, 2020. The Company also has a receivable balance of Rs.1,753 Lakhs and payable balance of Rs. 9,439 Lakhs (excluding interest) from various government authorities. Due to such statutory non compliances, we are unable to comment on the actual recoverability and payment dues against such balances.

- xi) As stated in the consolidated financial statements, the Group has neither ascertained nor accounted for Deferred Tax Assets/ Liabilities during the year in two of the subsidiaries. Further, the Group has written off the Deferred Tax Liability (Net of Assets) amounting to Rs.328 Lakhs in these two of its subsidiaries during the year for uncertainty of the taxable profit against which the deferred tax assets can be adjusted/utilized in near future.
- xii) As reported by other auditor of a subsidiary company Lob Property Management Private Limited:

Our opinion on the Statement is not modified in respect of the above matters.

7. Attention is drawn of the following matters disclosed in the Notes of the statement as Emphasis Matters:
 - a. During the previous quarter, the Holding Company has divested its shareholding in two subsidiaries NIRPL Ventures Private Limited (formerly known as Nitesh Indiranagar Retail Private Limited) and Courtyard Hospitality Private Limited (Formerly known as Courtyard Constructions Private Limited) to a private limited company to the extent of 85% and 100% of the shareholding respectively. The Group has provided certificates from the Practicing Company Secretary stating that after such divestments, these Companies shall no longer continue to be the subsidiaries of the Group as defined under section 2(87) of the Companies Act, 2013 and are not required to be consolidated under the Group. (Refer note 11 & 12 of the Statement)
 - b. The Group has given unsecured advance amounting to Rs. 1,887 Lakhs to WLM Logistics Parks Private Limited (formerly known as Winter Lands Private Limited) (WLM) for acquiring various immovable properties on behalf of the Company for which no Joint Development Agreement (JDA) could be produced to us. We have been informed that WLM is not in a position to honor its commitment or repay the advance. The management is of the view

that provision for the same is not required as, WLM has sought to transfer its JDA rights in the Project at Commissariat Road, Bengaluru, to the extent of 9920 Sq. feet to the Company by way of Memorandum of Understanding (MOU). In this context, we have not been provided with any copy of No Objection Certificate (NOC) from the Land owners and also the basis of the valuation has not been satisfactorily explained to us.

- c. During the quarter, the Group has received Rs. 5.30 Lakhs as advance from WLM. We have not been provided any documentation or explanation in respect of and such transactions.

In addition to the existing liability, WLM has acquired the following liabilities of Boulevard and Somerset as provided below:

- i. As reported earlier, the Group has given unsecured advance amounting to Rs. 3,515 Lakhs to Boulevard Developers Private Limited (Boulevard) for acquiring various immovable properties on behalf of the Company for which no Joint Development Agreements (JDA) could be produced to us. We have been informed that Boulevard is not in a position to honor its commitment and repay the advance. The Company had fully provided for the same in the previous financial year.

During the previous quarter, this outstanding amount of Rs. 3,515 Lakhs repayable to the Company by Boulevard has been taken over by WLM. Correspondingly, the provision against such advance has also been transferred to WLM.

The Company has entered into an MOU with WLM agreeing to enter into a JDA for development of Residential Layouts. In respect of this MOU, the Company has agreed to adjust an amount of Rs. 3,000 Lakhs towards an interest free Refundable Security Deposits from the balance of Rs. 3,515 Lakhs taken over by WLM as mentioned above. We have not been provided with any copy of No Objection Certificate (NOC) from the Land owners. Further, the ownership of WLM in such property has not been satisfactorily explained to us.

- ii. As reported earlier, the Company had advanced Rs. 1,228 Lakhs to Somerset Infra Projects Private Limited (Somerset) for acquiring immovable properties and for transfer of development rights (TDR) in various cities like Chennai, Cochin, Bangalore, on behalf of the Company. Somerset has failed to procure land and/ or the licensed TDR Rights as

per the agreement and has not refunded the money. The Company had made full provision for the said advance over the last four years without taking any legal action for recovery. During the previous / quarter and nine months, an amount of Rs. 500 Lakhs received earlier from a third party towards assignment of the recovery of such advance has now been adjusted with this balance.

In respect of the remaining balance of Rs. 728 Lakhs receivable, WLM has taken over this liability from Somerset and has subsequently assigned the rights of a certain villa in the project "True Blue Napa Valley" to the Company by way of MOU dated 12.08.2021. However, documentary evidence for the ownership of WLM in such property has not been satisfactorily explained to us.

The board of the Holding Company in its 155th meeting has approved for filing of insolvency petition by the wholly owned subsidiary companies NHDPL South Private Limited and NUDPL Ventures Private Limited against Somerset with the NCLT for recovery of such advances. However, we have not been provided with any document regarding such petition filed.

- b. The Group had written back loan outstanding along with accrued interest amounting to Rs. 3,763 Lakhs during the year pertaining to a term loan from HDFC Limited against a transferred Company project Park Avenue and also a term loan from Sriram City Union Finance Limited (SCUFL) pertaining to Company project Logos, both of which has been waived off by HDFC Limited and SCUFL respectively. Such waiver has been verified on the basis of the documents made available for our verification. (Refer note 13 & 14 of the statement).
- c. The Company has not renewed the registration of project "Rio" under the provisions of Real Estate (Regulation and Development) Act, 2016 since 31st March 2019, resulting in non-compliance under the relevant rules and regulations of the Real Estate (Regulation and Development) Act, 2016.
- d. The Company is in process of reconciling "Billing in excess of revenue" to the extent of Rs. 11,094 Lakhs.
- e. According to the information and explanation provided to us, Gratuity plan of the Company is unfunded as at 31st March, 2022 and the Company has made provision for the entire Gratuity Liability. Employee Gratuity Liability

is being met as and when they fall due. As no assets are maintained by the Company, there is a liquidity risk that the Company may run out of cash resources which may further affect the financial position of the Company.

- f. Certain Managerial personnel duly appointed by members have intimated the Board in the current year that they would be foregoing their remuneration retrospectively from their respective date of appointment in order to comply with the provisions of section 197(1) of the Companies Act, 2013 since lender's approval prior to such appointment was not obtained. Necessary approval from the Board is yet to be obtained in this regard.
- g. Contingent Liability as disclosed in the consolidated financial statements is based on management certification. We have not been provided with any other independent legal opinion in relation to any other litigation, demand or claim by or against the Company which may be contingent in nature.
- i. We have not received the necessary confirmation from the related parties of the Company. To this extent, we cannot comment on the related party transaction entered into by the Company during the financial year.
- j. The Company has written back certain long outstanding vendor liabilities in its books of accounts. Same is subject to ratification by the board.
- k. The Company has an outstanding liability of Rs. 208 Lakhs towards employee payable as on 31st March, 2022, of which an amount of Rs. 211 Lakhs has been written back for non-compliance of terms and conditions of employment contracts, as explained to us. Due to non-availability of additional information and ageing, we are unable to comment on the applicability of related statutory compliances or on the requirement of any further provision.
- m. As stated in the consolidated financial result, which describes the economic and social consequences/disruption that the entity is encountering as a result of COVID-19 pandemic which is impacting supply chains, consumer demand and personnel availability. The situation is still evolving and the management's assessment of the impact on the subsequent period is dependent on the circumstances as they evolve. This may further affect the Group's ability to carry out the business. (Refer to note 15 of the statement)

Our opinion is not modified in respect of the above matter.

- 8. The Statement includes the results for the quarter ended 31st March, 2022 and the corresponding quarter ended in the previous year being the

balancing figure between audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us.

The restriction of human movement through nationwide lockdown during the period from 27th March, 2021 to 21st June, 2021 imposed by the Government of India to prevent community spread of the disease has resulted significant reduction in economic activities with respect to the operations of the Company. The business of the Company has gone down drastically and the construction activities of the Company has been stopped due to non-availability of resources during lock down period. The Company has taken necessary steps to overcome the present situation by analysing various internal and external information inter-alia the assumptions relating to economic forecasts and future cash flows for assessing the recoverability of various assets and receivables viz, investments, contract and non-contract assets, trade and non-trade receivables, inventories, advances and contract costs as on the date of approval of these financial statements. The assumptions used by the company are being tested through sensitivity analysis and the company expects to recover the carrying amount of these assets and receivables based on the current indicators of future economic benefits. As the management is still assessing the impact of COVID-19 pandemic on the future period, the impact may be different from that estimated as at the date of approval of these financial statements and the company will continue to closely monitor the material changes if any, to the future economic conditions. Same situation is continuing in the FY 2021-22 due to pandemic outbreak.

These consolidated financial statements have been prepared on a going concern basis notwithstanding accumulated losses as at the balance sheet date and a negative net current assets situation. As per the management with these exits of residential projects and the debt coming down, the company is hopeful of revival in the coming years.
- 19 These financial statements therefore do not include any adjustments relating to recoverability and classification of asset amounts or to classification of liabilities that may be necessary if the Company is unable to continue as a going concern.
- 20 The figures in respect of previous period have been regrouped/recast wherever necessary.

II. Audit Qualification (each Audit Qualification separately)

- a. Detail of Audit Qualification:** The Group has incurred losses over the years resulting in negative net worth, negative working capital and negative cash flows. The default in payment of dues to banks and financial institution and creditors etc. are the identified events that, individually or collectively, may cast significant doubt on the Group's ability to continue as a going concern.

During the year Group has transfer four projects through Memorandum of Understanding or Business Transfer Agreement and repaid some portion of the bank loan.

Although these transactions have reduced the liability of the Group to bank and financial institution, the ability of the Group to continue as a going concern continues to remain uncertain in view of the above.

As the Group has not recognized this fact and has prepared the consolidated financial statements on going concern assumption basis without carrying out any adjustments, in our opinion, the consolidated financial statements may not give a true and fair view.
