Independent Auditor's Report on consolidated audited quarterly and year to date financial results of NEL HOLDINGS SOUTH LIMITED Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended.

TO THE BOARD OF DIRECTORS OF NEL HOLDINGS SOUTH LIMITED (FORMERLY KNOWN AS NEL HOLDINGS LIMITED)

Report on the audit of the Consolidated Financial Results

Adverse Opinion

We have audited the accompanying Consolidated Annual Financial Results of NEL HOLDINGS SOUTH LIMITED ("Holding company") and its subsidiaries (holding company and its subsidiaries together referred to as "the Group"), for the quarter ended March 31, 2021 and for the period from April 01, 2020 to March 31, 2021 ("the Statement"), being submitted by the holding company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

(a) includes the results of the following entities:

List of Subsidiaries:

- i. NHDPL South Private Limited (Formerly known as NHDPL Properties Private Limited)
- ii. NUDPL Ventures Private Limited (Formerly known as NUDPL Enterprises Private Limited)
- iii. LOB Property Management Private Limited
- iv. Courtyard Hospitality Private Limited (Formerly known as Courtyard Constructions Private Limited)
- v. NIRPL Ventures Private Limited (Formerly known as Nitesh Indiranagar Retail Private Limited)

(b) except for the matters dealt with in the Basis for Adverse Opinion Para given below, the financial result is presented in accordance with the requirements of Regulation 33 of the Listing Regulations, as amended; and

(c) due to the significance of matter described on the Basis for Adverse Opinion Para given below, the accompanying consolidated financial results do not give a true and fair view of the financial position of the entity, in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standard and other accounting principles generally accepted in India of the net loss and other comprehensive income and other financial information of the Company for the quarter ended March 31, 2021 as well as the year to date results for the period from April 01, 2020 to March 31, 2021.

Basis for Adverse Opinion

1. The Group has incurred losses over the years resulting in negative net worth, negative working capital and negative cash flows. The default in payment of dues to banks and financial institution and creditors etc. are the identified events that, individually or collectively, may cast significant doubt on the Group's ability to continue as a going concern.

During the year Group has sold three projects through a Business Transfer Agreement and repaid some portion of the bank loan. Further the Group has cancelled the development right for the development of the project 'Nitesh Virgin Island' and handed over the rights to original land owner.

Although these transactions have reduced the liability of the Group to banks and financial institutions, the ability of the Group to continue as a going concern continues to remain uncertain in view of the above.

As the Group has not recognized this fact and has prepared the consolidated financial statements on going concern assumption basis without carrying out any adjustments, in our opinion, the consolidated financial statements may not give a true and fair view.

- 2. The Group has given unsecured advance amounting to Rs 4,436 Lakhs to Boulevard Developers Pvt. Ltd (Boulevard) for acquiring various immovable properties on behalf of the Group for which no Joint Development Agreements could be produced to us. We have been informed that the Boulevard is not in a position to honor its commitment and repay the advance. Considering these factors, we are concerned about the manner in which the funds were given without obtaining any security. The Group has made full provision in the books during the year which in our opinion is a matter of concern.
- 3. As reported earlier, the Group had advanced Rs. 25,222 Lakhs to Somerset Infra Projects Pvt Limited (Somerset) for acquiring immovable properties and for transfer of development rights (TDR) in various cities like Chennai, Cochin, Bangalore, on behalf of the Group. Somerset has failed to procure land and the Licensed TDR Rights as per the agreement and has not refunded the money and could not satisfactorily explain the reasons for giving this advance

without security or guarantee. The Group had made full provision for the said advance for the last three years. In our opinion this is a matter of concern.

During the year, two of its subsidiaries have adjusted the above provision for doubtful debts as 'Bad-debts' and have written off the advances amounting Rs. 22,660 Lakhs without fixing responsibility for such injudicious advances and without taking legal recourse against Somerset. In our opinion, writing off such advance is prejudicial to the interest of the Group.

- 4. On defaults in repayment of principal amounts of Rs. 50,000 Lakhs and interest of Rs. 3,283 Lakhs for the credit facilities availed by two subsidiaries, the YES Bank Ltd. has invoked the guarantees furnished by the Holding Company on behalf of its subsidiaries and demanded for payment of the outstanding dues. As explained to us, no additional demand has been received by the Group.
- 5. The Group has accounted Principal of Rs. 72,586 Lakhs, Accrued Interest of Rs. 33,173Lakhs and Disputed Liability of Rs. 27,516 in its books of account as total outstanding to banks and financial institution as on 31st March, 2021. Pending confirmations and correspondence the outstanding balance and status of demand raised by the respective banks and financial institutions has not been verified by us. Further, penal interest on default on payment to banks and financial institution has neither been ascertained nor provided for in the books of account of the Group.
- 6. The Group has sold the projects "Nitesh Knight's Bridge", "Nitesh Park Avenue" and "Nitesh Napa Valley", during the year on an ongoing basis, through Business Transfer Agreements. Further the Group has cancelled the development right for the development of the project 'Nitesh Virgin Island' and handed over the rights to the original land owners.
- (i) The Group has borrowed Rs 28,497 Lakhs from HDFC Limited and Rs. 31,500 Lakhs from Yes Bank for various projects including Nitesh Knights Bridge, Nitesh Virgin Island, Nitesh Park Avenue and Nitesh Napa Valley. As per the terms of business transfer agreement with the third party, an amount of Rs. 800 Lakhs and 3,500 Lakhs have been paid to HDFC Limited for release of charge on Nitesh Knights Bridge and Park Avenue respectively and an amount of Rs. 3,600 Lakhs have been paid to Yes Bank for release of charge on Nitesh Napa Valley. Basis the same the Group has classified the remaining outstanding liability, to the extent allocated to the project, as disputed liability.
- (ii) During the financial year, charge/mortgage of the project 'Nitesh Virgin Island' was released by HDFC Limited. Such release was conditional that the same shall not be construed as settlement of any kind. Consequently, the Group has accounted for Rs 8,146 Lakhs being the estimated carrying value of loan and Rs 3,000 Lakhs being the interest component as a disputed liability in the consolidated financial statements.

RAY & RAY CHARTERED ACCOUNTANTS

- 7. As stated in the consolidated financial statement, the Group has not accounted for the demand of penal interest amounting to Rs. 17,910 lakhs by banks and financial institutions on credit facilities, resulting in the understatement of loss and overstatement of net worth by the said amount.
- 8. As stated in the consolidated financial statements, the Group has collected Rs 452 Lakhs as advance from customers for closed/suspended residential projects in the earlier years which have now been abandoned and such receipts, are now in the nature of deemed deposits under rule 2(c) (xii) (b) of the Companies Acceptance of deposit (Rules) 2014 and are also within the purview of sections 73 to 76 of the Companies Act, 2013 and proper disclosure has not been made in the books of accounts in this respect.
- 9. The Group has not tested impairment of its projects' CWIP and Inventories amounting to Rs 8,835 Lakhs and Rs 55,064 Lakhs (Net of "Payable to land owner for land under Joint Development Agreement, JDA") respectively as on 31st March, 2021.
- 10. The Group has impaired its carrying amount of Investment Property under Development (CWIP) of Rs 28,630 Lakhs. The CWIP of Rs 23,646 Lakhs and Rs 4,983 Lakhs have been impaired in FY 19-20 and in the current year respectively. Legal opinion on the status of the litigation were not made available for audit and hence we are unable to comment on further provisions, if any, to be made by the Group in this regard.
- 11. In accordance with Section 181 of the Companies Act, 2013, a company may contribute to bona fide charitable and other funds, provided prior permission in the general meeting shall be required in case where the contribution amount in any financial year exceed five percent of its average net profits for the three immediately preceding financial years.

The one of the subsidiary companies of the group has made contributions of Rs. 64 Lakhs during the current financial year. The group has not taken permission in general meeting, thus violating the provisions of section 181 of the Companies Act, 2013.

12. Year-end balance confirmation certificates in respect of trade receivables, trade payables, advances and other advances have not been provided for our verification and record. In absence of adequate audit evidence, we are unable to ascertain as to whether any provision is required with respect to the carrying amounts of these balances as at reporting date. Further, Trade Receivable amounting to Rs.1,223 Lakhs receivable from customer as on 31st March,2021 has not been considered for impairment loss based on expected credit loss method as per requirement of Ind AS 109.

- 13. As per the records of the group and information and explanations provided to us, the Group has been irregular in depositing the undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of custom, duty of excise, value added tax, Goods and Services tax, cess.
- 14. As stated in the consolidated financial statements, the Group has neither ascertained nor accounted for the component wise Deferred Tax Assets/Liabilities as on balance sheet date and its adjustment in statement of profit & loss accounts during the year.
- 15. The Group has not provided customer wise reconciled figures for some outstanding balances for "Billing in excess of revenue" (Net of debit balance). Due to non-availability of the said details we are unable to verify the correctness of the same.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Results section of our report. We are independent of the Group, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

The Group has given unsecured advance amounting to Rs. 5,903 Lakhs to Winter Lands Pvt. Ltd. (Winter Lands) for acquiring various immovable properties on behalf of the Group for which no Joint Development Agreement could be produced to us. We have been informed that Winter Lands is not in a position to honor its commitment or repay the advance. The Management is of the view that provision for the same is not required as, during the quarter, Winter Lands has sought to transfer its JDA rights in Project at Commissariat Road to the extent of 30000 Sq feet to the Group by way of Memorandum of Understanding (MOU). The enforceability of this MOU, NOC from Land Owner and the basis of the valuation has not been satisfactorily explained to us.

Our opinion is not modified in respect of the above matter.

Management's Responsibilities for the Consolidated Financial Results

These consolidated financial results have been prepared on the basis of the consolidated financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of these consolidated financial

results that give a true and fair view of the net loss and other comprehensive income and other financial information of the Group in accordance with the recognition and measurement principles laid down in Indian Accounting Standard prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Board of Directors of the companies included in the Group and of its jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial results, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

 Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one

resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group to express an opinion on the consolidated Financial Results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors.
- We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.

Other Matters

- a) The Group has transferred the debenture outstanding liability of Rs. 5,500 Lakhs to land owners of Virgin Island Project during the year for settlement of the dues of the debenture holder 'Investcorp Real Estate Fund (erstwhile IDFC Real Estate Yield Fund)' on cancellation of Joint Development agreement-JDA and has handed over the title documents of the said composite property to the respective land owners in terms of mutual agreement which the land owners and Investcorp Real Estate Yield Fund may have entered into, however, such documents have not been provided to us. As such, net of surplus arising on settlement of debenture liability and consideration for handing over the title documents to land owners amounting to Rs.5,268 Lakhs with accrued debenture interest of Rs. 5356 Lakhs has been disclosed as exceptional income to the Profit & Loss Account of the Group on the date of said transfer.
- b) As stated in the consolidated financial result, which describes the economic and social consequences/disruption that the entity is encountering as a result of COVID-19 pandemic which is impacting supply chains, consumer demand and personnel availability. The situation is still evolving and the management's assessment of the impact on the subsequent period is dependent on the circumstances as they evolve. This may further affect the Group's ability to carry out the business.
- c) The Financial Result includes the results for the quarter ended March 31, 2020 and the corresponding quarter ended in the previous year being the balancing figures between audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the relevant financial year which were subject to limited review.

Our opinion on the Statement is not modified in respect of the above matters.

II. Audit Qualification (each Audit Qualification separately)

1. a. Detail of Audit Qualification: The Group has incurred losses over the years resulting in negative net worth, negative working capital and negative cash flows. The default in payment of dues to banks and financial institution and creditors etc. are the identified events that, individually or collectively, may cast significant doubt on the Group's ability to continue as a going concern.

During the year Group has sold three projects through a Business Transfer Agreement and repaid some portion of the bank loan. Further the Group has cancelled the development right for the development of the project 'Nitesh Virgin Island' and handed over the rights to original land owner.

Although these transactions have reduced the liability of the Group to banks and financial institutions, the ability of the Group to continue as a going concern continues to remain uncertain in view of the above.

As the Group has not recognized this fact and has prepared the consolidated financial statements on going concern assumption basis without carrying out any adjustments, in our opinion, the consolidated financial statements may not give a true and fair view.

 - 2. a. Detail of Audit Qualification: The Group has given unsecured advance amounting to Rs 4,436 Lakhs to Boulevard Developers Pvt. Ltd (Boulevard) for acquiring various immovable properties on behalf of the Group for which no Joint Development Agreements could be produced to us. We have been informed that the Boulevard is not in a position to honor its commitment and repay the advance. The Group has made full provision in the books during the year which in our opinion is a matter of concern.

- **3. a. Detail of Audit Qualification:** As reported earlier, the Group had advanced Rs. 25,222/- Lakhs to Somerset Infra Projects Private Limited (Somerset) for acquiring immovable properties and for transfer of development rights (TDR) in various cities like Chennai, Cochin, Bangalore, on behalf of the Group. Somerset has failed to procure land and the Licensed TDR Rights as per the agreement and has not refunded the money and could not satisfactorily explain the reasons for giving this advance without security or guarantee. The Group had made full provision for the said advance for the last three years. In our opinion this is a matter of concern.

During the year, two of its subsidiaries have adjusted the above provision for doubtful debts as 'Bad-debts' and have written off the advances amounting Rs. 22,660/- Lakhs without fixing responsibility for such injudicious advances and without taking legal recourse against Somerset. In our opinion, writing off such advance is prejudicial to the interest of the Group.
